PLUS Ineligible - Request for Unsubsidized Loan
2022-23 Academic Year

PART 1

(To be completed by parent)

Please indicate which reason applies to your situation:

I wish to withdraw my application for the Federal Direct PLUS Loan because it was not credit approved. I will not pursue an endorser, nor will I appeal the credit decision with the Department of Education. I would like to request that my son/daughter be offered additional Federal Direct Unsubsidized Loan. I understand that by making this request my child will incur additional student loan debt.

I have documentable exceptional circumstances that prevent borrowing a PLUS Loan. Examples include incarceration, a bankruptcy court order that prohibits incurring additional debt, or an inability to provide proof of citizenship or permanent residency. I am including the supporting documentation for these circumstances for review.

The maximum Unsubsidized Direct Loan amount that you can borrow is:

- First and second year undergraduate (0-89.9 units): \$4000
- Third and fourth year undergraduate (90+ units): \$5000

I would like to be awarded the maximum amount of the unsubsidized Direct Loan for which I am eligible, up to the limit noted above.

I would like to borrow only \$_____ of my loan eligibility.

I understand that I will be borrowing additional loans to replace my parent's PLUS loan eligibility. I further understand that I will be responsible for repayment of these loan funds in addition to any other loan funds I have received.
