Paying Fees and Disbursements

Financial aid checks for summer will be disbursed in the same method as the academic year, either mailed or deposited directly into your bank account. Any changes in your disbursement information can be updated at <https://zotaccount.uci.edu/>.

- Your enrollment status at the other UC will be verified online prior to disbursement.
- Your funds are disbursed based on UCI's summer enrollment dates:
 - Session I 06/24/2024
 - 10-week Session 06/24/2024
 - Session II 08/5/2024
- The Financial Aid office does not pay for the summer fees that you have incurred at your host university.
- **It is your responsibility to pay the summer fees at the host university with the funds received from the UC Irvine's Financial Aid Office.**
- Typically, you will sign an agreement at the host university indicating that you will pay the summer fees once you receive your financial aid from UCI.
