Financial Aid & Scholarships

UCI

Investing in Your Future

UC Irvine has two important roles in financing your education: to administer a variety of financial assistance programs, and to provide you with sufficient support to pursue your education.

If you demonstrate the need for financial assistance, you may be eligible for scholarships, grants, loans, and/or work-study. Also, you can be awarded scholarships on the basis of academic excellence.

- **Grants** are awarded on the basis of financial need and do not have to be repaid.
- **Scholarships** are awarded on the basis of academic criteria, or any combination of academics, financial need, leadership positions, campus or community activities, and work experience.

- **Loans** are money that must be repaid over a period of time, usually after you leave school.
- **Work-study** is money that you may earn by working a part-time job.

UC Irvine is an affordable choice for all families. Here is why:

UC's Blue and Gold Opportunity Plan¹

Covers your educational and student services fees if you are a California resident whose family earns less than \$80,000 a year and you qualify for financial aid. Blue+Gold students with sufficient financial need may qualify for additional grant aid to help reduce the cost of attending. For more information, visit: universityofcalifornia.edu/blueandgold

Tuition Stability Plan

This is a multiyear plan starting fall 2022 that sets tuition and other mandatory systemwide fees for undergraduates, both freshmen and transfer students, at the time of enrollment, with the expectation that those charges should remain at that same level each following year for the duration of their college careers, up to six academic years.

¹You must meet all eligibility requirements as well as the March 2 deadline.

Financial Aid for DREAM Act Students

Students who are not eligible to file a FAFSA and qualify for the AB540 fee exemption can apply for Cal Grants, UC Irvine Grant, the Middle Class Scholarship and the Dream Loan by completing the California Dream Application available from

www.caldreamact.org.

DEADLINE: March 2, 2022

Dream Act students may also apply for UC and external scholarships.

For more information about aid available to Dreamers at UCI, visit:

<https://www.ofas.uci.edu/paying-for-uci/applying-for-aid/ca-dream-act/index.php>

Background: The California Dream Acts – AB130 and AB131 – extend eligibility for certain types of institutional and state aid to students, including undocumented students, who qualify for benefits under another California law – AB540 – which exempts students from paying nonresident supplemental tuition.
