PLUS LOAN DISBURSEMENT AUTHORIZATION
FOR PARENTS OF EDUCATION ABROAD PROGRAM (EAP) STUDENTS

Student Name ___________________________  UCI ID _______________

☐ Send Disbursement to Student EAP Account (Recommended) - For the term(s) my student is abroad, I authorize my PLUS loan disbursement(s) to be sent to my student’s EAP billing account to pay for any outstanding charges (i.e. program fees, room and board). I understand that any remainder on the account will be forwarded to my student by direct deposit (or check if my student has not signed up for direct deposit). I am aware that once my student is no longer studying abroad, any future disbursements will be mailed to me via paper check made out to me at the address I indicated on the PLUS confirmation sheet.

☐ Send Disbursement to Parent - For the term(s) my student is abroad, I do NOT authorize my PLUS loan disbursement(s) to be sent to my student’s EAP billing account. Rather, mail the disbursement via paper check made out to me at the address I indicated on the PLUS confirmation sheet. I realize that by selecting this option, there may be a delay in my student receiving the funds to meet EAP fee deadlines and expenses abroad, and EAP fees may have to be paid out-of-pocket before any disbursement of my Parent PLUS loan is sent. I understand that late fees may apply if we don’t meet the payment deadlines. For more information about extended payment plan options, please visit http://eap.ucop.edu/.

By signing this form, I certify that I am the borrower of the PLUS loan referred to above.

The State of California requires that you be told the following: Federal student loans are available to most students regardless of income and provide a range of repayment options including income-based repayment plans and loan forgiveness benefits, which other education loans are not required to provide.
